

**COTE summer school**  
**16<sup>th</sup> to 20<sup>th</sup> June - Bordeaux, France**  
**“Transfers and interactions between ecosystems”**

The Cluster of Excellence, **COTE**, is organising its second **Summer School**. This year, the topic is **“Transfers and interactions between ecosystems”**.

The course will take place in Bordeaux from the 16<sup>th</sup> to the 20<sup>th</sup> June 2014.

*Take part in the summer school with its stimulating scientific programme on integrative ecology.*

This is an excellent opportunity for PhD students and young researchers to **interact with specialists (researchers, engineers and managers)**. The **conferences will be held in English**; therefore, knowledge of French is not required.

Registration is free and includes accommodation and meals. Up to 1000 Euros worth of travel expenses will be supported. Candidates can **register here**. Please provide a CV, a short letter of appointment from your supervisor and a cover letter indicating the course topic(s) that will be useful for your research, as well as your expectations of the summer school. .

For more information and updates on the summer school programme, please visit the summer school website: <http://cotesummerschool.u-bordeaux.fr/>.
